Road Commissioner's Report

On road No. 1 known as the Pittsford road I spiked, shaped and rolled where needed, and spread tarvia on 2.8 miles at a cost of \$2,324.54 of which the State paid \$1,975.54 with extra work done on Cheney Hill included, the Vt. Marble Co. donating the gravel.

On road No. 4 known as Woodstock Ave., I resurfaced 2400 ft. at a cost of \$1,500.73. State paid \$1,000.49.

I resurfaced on road No. 5 known as the East Proctor road, $\frac{3}{4}$ mile at a cost of \$442.75, of which the State paid \$295.17. This gravel was drawn with trucks and a light coat spread.

The 5% State aid being worked out on Chittenden road or No. 6. The amount being \$315.90.

Also 800 ft. resurfacing on road No. 6 at a cost of \$323.00. State paid \$215.33.

The unselected highway fund of \$394.17 was spent on the Cold River road.

I laid five new culverts of cement tile and repaired one stone culvert.

On North Grove St. or No. 8 I resurfaced 640 ft. Part of the work was donated by Wm. Fox, Fred Gonyea, T. J. Canty and the Vt. Marble Co.

I have drawn orders to the amount of \$9,743.42, as follows:

To the Board of School Directors and Citizens of the Town of Rutland

I submit herewith a report of the School Department of the Town of Rutland.

May I be permitted to begin my report with the leading statement of the 1926 report?

At present all five of our rural schools are ranked "Superior". They were recently inspected by the state department and each will retain its plate for another year.

The Center Rutland School has also been inspected but at the present date I have not received the ratings on it. Because of the many factors involved, the task of rating a graded school is far more difficult than that of a one room school. This building received much favorable comment on the improvements made during the past few years.

During the past year about one thousand dollars has been spent on repairs.

In the Summer vacation the exteriors and interiors, including furniture, of the Mill Village and Cheney Hill schools were painted.

The plumbing in the boy's basement at the Center School was repaired, and new fixtures installed. These last have greatly improved the sanitary condition of the building.

Small jobs of painting and repairing have been done in all of the schools in order to keep the buildings and equipment in the best possible condition.

At present we have 233 pupils in our schools. They are divided as follows: Center School 125, rural schools, 108.

We have also twelve elementary students in schools outside of the town, for whom we pay either transportation or tuition.

In high schools and academies we have 49 students distributed as follows: Rutland High School, 42; West Rutland High School, 2; Mt. St. Joseph's Academy, 2; Vermont Ac-

ademy, 1; Pittsford High School, 1, and Troy Conference Academy, 1.

We have a body of teachers who are working hard for the betterment of their schools. Two vacancies that occurred during the past year, were filled by Miss Bertha V. Morehouse at the Mill Village School, and Miss Mary C. Davis at Dyer School.

This fall a situation occurred in one of the rural schools, that was unlike any occurrence the school board has had to deal with in the past, that is, the overcrowding of the Cheney Hill School.

An overcrowding in this school in the fall of 1925 was relieved by sending six children to Mill Village, filling this school to its capacity.

This fall after giving the matter much thought, the school board decided that the most feasible plan would be to take two whole grades from Cheney Hill and send them elsewhere.

The building is located at a considerable distance from the other town schools where the children could be accommodated.

After receiving bids on the amounts we could get transportation to these schools for, we found that it would cost no more, if as much, to take the seven children concerned, to Rutland.

We feel that this has been the best way out of a difficult situation for this year, costing much less than the renting or building of an extra room, and hiring a teacher, or any of the other plans submitted. At the same time we are giving the children the best education possible.

This year one of the aims of the State Department of Education has been to place medical inspection in every school.

During November we were able to avail ourselves of the free medical inspection offered by the Vermont Tuberculosis Association. This year this service was given free to towns which had no medical inspection. I feel that in many cases this service was a great help to the teachers and parents.

The following is the report of the fall inspection:

Number of children examined	231
Number of children with defective tonsils	72
Number of children with defective teeth	141

The work in every case is done under the direction of the school authorities. The Superintendent being expected to accompany the nurse.

During the coming year the Association plans to give this service at a cost of \$10 a day, this to include transportation, board and equipment. The inspection this fall took two and one-half days. Three days would be a better length of time to assign to it.

The Tuberculosis Association has suggested several ways of raising the necessary money for carrying on the work.

1st. To have the appropriation voted at town meeting.

2nd. An appropriation voted by the school board.

3rd. To have the money raised by some association, such as the Parent Teacher Association.

I hope that we will be able through some of these agencies, to avail ourselves of this service next year.

In closing I wish to thank the parents and other interested citizens for the help they have given and interest shown in our schools.

It is this interest shown by individuals and organizations, such as the Parent Teacher Association, that helps make good schools.

Respectfully submitted,

MARGARET C. McCORMACK.

NOTICE

The legal voters of the Town of Rutland are hereby warned to meet at the Town Hall at Center Rutland on Tuesday, March 1, 1927 at 10 o'clock A. M. to act on the following matters, namely:

1. To see if the Town will empower and authorize Selectmen to appoint one or two Road Commissioners.
2. To choose all necessary officers required by law.
3. To see if the Town will vote to raise money by tax or otherwise to pay current expenses and indebtedness of the Town and State, School, Highway and County taxes.
4. To see what time the several taxes shall be due and payable.
5. To see what compensation the Town will vote for Town Officers.
6. To see if the Town will appropriate a sum of money to secure the use of the Rutland Free Library to the inhabitants of the Town, and if so, how much.
7. To see what provisions the Town will make for the higher education of the scholars of the Town.
8. To see if the Town will vote to raise a sum of money in addition to the amount now required by law to take advantage of Section 4591 Public Statutes, and if so, how much.
9. To see if the Town will authorize the Selectmen to borrow money for the temporary use of the Town.
10. To see if the Town will vote to have medical inspection of the schools of the Town.
11. To see if the Town will vote to appropriate such proportion of \$1,200.00 as the Grand List of the Town bears to the entire Grand List of Rutland County toward paying the expenses and salary of a County Agricultural Inspector. This appropriation is authorized by an act of the Legislature of 1912-13. An affirmative vote under this article will appropriate between \$40 and \$50.
12. To transact any other necessary, legal and proper business.

H. W. ROSS,
H. EDW. DYER,
O. S. FROST,

Selectmen.
